August 2006

President's Message:

August brings the end of our year. Thanks go out to Lucile Lively and Claude Townsend who will be leaving the board as our year draws to a close. However, I am sure their work for the club will continue for many years to come and I would bet either one or both of them will return and take a board position some time in the future. Please remember to pay your dues for next year at this month's meeting.

For those of you who missed the meeting last month please be aware that there will be no meeting for SACXS on the third Wednesday of October at the Garden Center in lieu of the fact that SACXS will host the annual fall seminar for TACSS on October 7th. You may contact Cal Eichler, Jimmy Black or Ann Black for information on the seminar. A brochure containing TACSS seminar highlights has been prepared and information should be available at the meeting this month. Also, do not forget to register for the dinner that will take place on Saturday night. For those of you who do not know associate members of TACSS are entitled to receive copies of the TACSS newsletters. If you are interested in becoming an associate member, you may inquire at the seminar or contact Mike Rupe or myself.

Finally, as a reminder, I will be out of town on business this month and will miss the August meeting. Claude Townsend will be presiding and will open and close the Garden Center.

I will see you all in September.

Take care,

Don Clark

Annual Fall Seminar

OCTOBER 7, 2006

San Antonio, Texas

At the Marriott Northwest Hotel

Our club SACXS will be hosting the seminar. Please make plans to attend the event and lend a hand. We want to make this a huge success and a memorable seminar for all of the TACSS member societies.

Here are some of the ways you can help:

- Spread the word to any interested person or organization
 - Attend the Seminar
 - Wear your SACXS shirt and name badge
 - Be a host or hostess
 - Work at the seminar registration table
 - Help plant vendors set up and pack up
- Transport a speaker to and from the airport
 - Assist the speakers during the seminar
- Direct visitors to area restaurants for lunch
 - Bring plants for the TACSS auction

Seminar Highlights

We've chosen the Marriott Northwest Hotel because of its convenient location and meeting facilities. Dinner on Saturday will be hosted by the San Antonio Cactus and Xerophyte Society; however, there is a fee of \$25.00 per person. Continental breakfast will be provided on Saturday morning. Lunch will be "on your own". Many quality and affordable restaurants are located near the hotel.

We'd like to remind you that admission to the seminar is free, but space is limited. We need to hear from you in advance in order to provide adequate meeting space. Please complete the registration form and send it to us at your earliest convenience. Include a money order or personal check for your dinner reservation.
